Let's count bugs in my garden.  
One grasshopper hops.  
Two butterflies flutter, flutter.  
Three worms wiggle, wiggle,  
wiggle.  
Four ladybugs fly, fly, fly, dly.  
Five spiders creep, creep, creep,  
creep, creep.  
But none of them makes a peep.

How many bugs  
are in the  
garden?

There are 15 bugs in the garden.

What can a  
grasshopper do?

It can hop.

How many  
spiders are in  
the garden?

There are 5 spiders in the garden.

Do you like  
butterflies?

Yes, I do.

Why / Why not?

Because they're pretty.
